

NITRILE

Nitrile gloves offer versatility and work well with a wide range of foods including raw meats, citrus and sauces. Nitrile is also the best material choice for general housekeeping and working with basic cleaning agents.

- Latex-free and safe for workers with Latex allergies
- Comfortable and formfitting for maximum finger sensitivity
- Pebbled surface enhances grip and dexterity
- Resistance to acidic foods and many on the job chemicals
- Available in multiple tiers in both blue and black
